Mid Tex Farm, Ranch & Garden Show Terms & Conditions

Mid Tex/Greater Waco Chamber of Commerce is referred to herein as "Management". "Exhibitor" refers to the applicant on the front of this application and contract.

Installation and Removal

Exhibitor must install its exhibit before the opening of the exposition. The exhibit must be dismantled and removed immediately after the exposition's close. Exhibitors may set up their booth on Wednesday, January 30, 2019 between 2:00 p.m. and 6:00 p.m. No late arrivals will be allowed. Exhibits must be removed from the building by 10:00 p.m. but no earlier than 6:00 p.m. on Thursday, January 31, 2019. The Management is not responsible for any items left behind.

Booth Assignment

Management will do its best to honor Exhibitor's booth request as listed on the application and contract. HOWEVER, MANAGEMENT RESERVES THE RIGHT TO MAKE THE FINAL DETERMINATION OF ALL BOOTH ASSIGNMENTS.

Exhibitor may not assign this contract and may not permit or "sublet" all or any part of its assigned booth space to be used by any other business or firm, unless Management has given prior written approval. Any such assignment, permission or "sublease" without Management prior written approval shall be null and void.

Payment

Submit payment in full at the allocated cost before Monday, November 15, 2018 to reserve a booth space. Applications without payment are not binding and booth space will not be reserved. Withdrawal from the show will result in a full refund if notified in writing by December 1, 2018.

Exhibitor agrees that it is foreseeable that the exposition may be cancelled or materially curtailed due to circumstances beyond Management's control (e.g., an act of God, fire, labor disturbances, etc.). If, for any such reason, the exposition is cancelled or materially curtailed, Exhibitor shall have no right or claim to any refund, in whole or in part, of the monies paid to Management.

If Exhibitor fails to pay the entire booth fee at the time specified (Monday, November 15, 2018), or fails to comply with any of the terms and conditions or rules and regulations, Management may reassign the booth location reserved for Exhibitor and/or may resell that booth location to another party.

Exhibit Content

The Exposition is designed to provide a showcase for goods and services either specifically designed for or customarily used by the industry the exposition serves. Exhibitor may not, under any circumstances, display or promote any goods or services other than its own goods and services of the kind described on the front of this contract.

Exhibitor's Authorized Representative

Exhibitor must designate one person as its representative in connection with installation, operation and removal of its exhibit. The designated representative shall be authorized to enter into exhibition service contracts and for which Exhibitor shall be responsible. The designated representative must be in attendance throughout all exposition periods; and representative shall be responsible for keeping the exhibit neat, staffed and orderly at all times.

Fire, Safety and Health

Exhibitor assumes all responsibility for compliance with local, city and state ordinances and regulations covering fire, safety and health.

Exhibit Rules and Regulations

Exhibitor will be provided with an Exhibitor Letter. The Exhibitor Letter and all rules and regulations included therein will become part of this contract. The Exhibitor Letter describes the type and arrangement of exhibit space, the standard equipment provided by Management and rules governing the construction of displays. All booth space must be arranged and constructed in accordance with the guidelines, provisions and limitations contained in the Exhibitor Letter. If, in the sole opinion of Management, any exhibit fails to conform to the Exhibitor Letter guidelines, or the provisions set forth herein, such exhibit will be prohibited from functioning at any time during the exposition. Any questions concerning the rules and regulations should be directed to Greater Waco Chamber.

Management reserves the right to require an exhibitor to alter the exhibit before or during the show, as Management deems to be in the best interests of the show. Such changes shall be made at Exhibitor's expense and are subject to the approval of Management.

Licenses and Permits

Exhibitor shall be responsible for obtaining any licenses, permits or approvals required under local or state law applicable to their activity at the exposition. Exhibitor shall be responsible for paying all taxes, license fees or other charges that shall become due to any government authority in connection with their activities at the exposition.

Exhibitor Functions During Exhibition Hours

Exhibitor's booth will be open and fully staffed during all official hours. Exhibitor expressly agrees that it will not, nor its employees or representatives, conduct exhibitor functions in private rooms during official exhibition hours.

Property Loss or Damage

Management shall not be responsible for any loss of or damage to any property of Exhibitor or of its booth personnel, representatives, agents, servants, employees, contractors, patrons, guests, licensees or invitees.

All Exhibitor's properties remain under Exhibitor's custody and control in transit to and from exposition facility and while property is in the confines of the exposition facility. Neither Management nor its service contracts, nor the management of the Exposition, nor any of the officers, staff members, or directors of any of the same are responsible for the loss of or damage to property of Exhibitor or of its booth personnel, representatives, agents, servants, employees, contractors, patrons, guests, licensees or invitees from theft, fire, accident, vandalism or any other cause, and exhibitor expressly waives and releases any claim or demand against any of them by reason of any damage to or loss of any property.

Exhibitor shall be solely responsible for the loss of or damage to any property of Exhibitor's personnel, including but not limited to Exhibitor's booth personnel and representatives, models, demonstrators and actors.

Accordingly, it is the Exhibitor's responsibility to secure its own insurance or otherwise protect itself and its property and the property of its booth personnel, representatives, agents, servants, employees, contractors, patrons, guests, licensees or invitees against loss or damage.

Indemnification

Exhibitor agrees to defend, indemnify and hold harmless Management (and the Exhibition facility management) from and against all claims, demands, actions, damages, loss, cost, liabilities expenses and judgments recovered from or asserted against Management (or the exhibition facility management) on account of injury or damage to person or property to the extent that any such damage or injury may be incident to, arise out of, or be caused, either proximately or remotely, wholly or in part, by an act, omission, negligence or misconduct on the part of Exhibitor (or any of its booth personnel, representatives, agents, servants, employees, contractors, patrons, guests, licensees or invitees, or of any other person entering in or about the Exhibitors booth space with the express or implies permission of Exhibitor), or when any such injury or damage is the result, proximate or remote, of the violation by the Exhibitor (or of any of its booth personnel, representatives, agents, servants, employees, contractors, patrons, guests, licensees or invitees) of any law, ordinance or governmental order of any kind, or when any such injury or damage may in any other way arise from or out of the operation or use of Exhibitor's booth space.

Exhibitor shall and will pay all costs and expenses, including reasonable attorney fees and court costs, incurred by or imposed upon Management (or upon the exhibition facility management) by virtue of litigation.

Labor

Exhibitor shall observe all contracts in effect between Management, service contractors, exposition facilities and the labor organizations involved.

Other Rules and Regulations

Management reserves the right to change the rules and regulations, and to make additional rules and regulations, as it deems to be in the best interests of the exposition. Management shall have sole power to interpret, amend and enforce rules and regulations. All Exhibitors will be notified if changes occur.
